PENSACOLA
HUMANE SOCIETY™

ANNUAL REPORT

2023-2024

Hard at Work

Your Pensacola Humane Society has been quite busy this year implementing our programs and saving lives! We have created 720 new families through our adoption program. As a result of our success with adoptions and managed intakes we maintained a Save Rate of 98 percent.

Our Pet Pantry has played a significant role in our success. Nearly 9,000 pounds of food given out translates to more than 32,000 meals for pets which helps keep them in their homes and with their families. Our volunteers have been critical in keeping our programs running smoothly with 75 active volunteers contributing more than 5,200 hours.

We actively assisted Everette Animal Welfare Group transport more than 700 cats for alterations. During this time, we diligently worked to get our surgical suite operational, and since May 2024 have completed 270 surgical procedures.

Letter from our CEO

Dear Friends and Supporters,

As we reflect on another year at the Pensacola Humane Society, I am filled with immense gratitude and pride for what we have accomplished. Your support, dedication, and passion for animal welfare have been the driving forces behind our success in providing compassionate care and finding loving homes for hundreds of animals in need.

Our accomplishments this year are numerous:

1. We facilitated over 700 adoptions this year giving cats and dogs a second chance in loving homes.
2. We were able to stand up our surgical suite allowing us to decrease the length of stay for our animals.
3. Our Pet Pantry has been impactful in working to keep dogs and cats in their homes.
4. We have assembled a wonderful team of veterinarians to enable us to provide faster and more cost-effective care to our shelter animals.
5. We have provided transportation in collaboration with a local cat welfare group to facilitate even more spay and neuter procedures to the community.
6. Awarded No-Kill Shelter by Best Friends Animal Society

As we move into 2025, I am excited to continue building on our recent successes. Our goal is to continue providing quality care and services to the animals and our community. Expanding and enhancing our core services are key to our future success.

All of this is possible because of our donors, advocates, and volunteers. Your generosity and commitment to our mission have enabled us to save lives and make a meaningful difference in our community. Whether you have adopted a pet, volunteered your time, or contributed financially, you have played a crucial role in creating a more humane world. Thank you for standing with us as we continue to be a voice for the voiceless.

In closing, I would like to take a moment to recognize and thank The Board of Directors and the staff of the Pensacola Humane Society for your tireless efforts and commitment. You have stayed the course and had a resiliency that is admirable. I can't imagine where the organization would be without a team such as this.

With gratitude,

Blake White
CEO – Pensacola Humane Society

Success Story: Tiana

A little dog with a big job.

Last September, Tiana, her mother and five sisters were surrendered to the shelter when Tiana was only two weeks old. Karen, one of our long-time volunteers, fostered Tiana and adopted her soon after, and Tiana quickly bonded with her older sister Hope.

Once Tiana was five months old, she started training to be a therapy dog like her big sister. The plan was to replace Hope in a few years when she retired. Sadly, Hope unexpectedly passed away in March.

Tiana continued her classes, passing each until she earned her AKC Canine Good Citizen award. Tiana then became a certified therapy dog with Canines for Christ. She now visits clients at L&L Executive Adult Day Care, and on Tuesdays she visits the USO at NAS Pensacola.

Tiana is thriving in her new role and continues to bring joy to those around her.

With a lot of love and a little training, anything is possible for a shelter dog.

The Pensacola Humane Society uses private charitable donations and fundraising activities to fund our operations. We do not have city, state, or federal government funding, so we must rely on the community to support our mission to serve the animals of the entire Gulf Coast. If you would like to contribute, we have many ways to donate.
